| Month-to-month | 0093-XWZFY | 104.50                | 40            | Yes   |
| Month-to-month | 0094-OIFMO | 95.00                 | 11            | Yes   |
| Month-to-month | 0107-WESLM | 19.85                 | 1             | Yes   |
| Month-to-month | 0107-YHINA | 99.75                 | 1             | Yes   |
| Month-to-month | 0115-TFERT | 111.20                | 21            | Yes   |
| Month-to-month | 0117-LFRMW | 40.20                 | 37            | Yes   |
| Month-to-month | 0122-OAHPZ | 73.85                 | 7             | Yes   |
| Month-to-month | 0125-LZQXK | 101.35                | 15            | Yes   |
| Month-to-month | 0133-BMFZO | 86.25                 | 2             | Yes   |
| Month-to-month | 0135-NMXAP | 89.75                 | 12            | Yes   |
| Total          |            | 1,39,130.85           | 33603         |       |

# KEY INSIGHTS

## 1. Contract Type Impact

Customers with **month-to-month contracts** show the **highest churn rate**, while long-term contract customers are more stable.

## 2. Tenure Influence

Customers with **low tenure (new customers)** are more likely to churn compared to long-term customers.

## 3. Payment Method Trend

Customers using **electronic check payment method** have higher churn compared to other payment methods.

## 4. Monthly Charges Effect

Customers with **higher monthly charges** tend to **churn more**, indicating pricing sensitivity.

## 5. Service Support Impact

Customers **without tech support and online security services** have a higher probability of churn.

## 6. Internet Service Observation

Customers using **fiber optic internet service** show **higher churn rates** compared to DSL users.

# BUSINESS RECOMMENDATIONS

## 1. Promote Long-Term Contracts

Offer **discounts and incentives** to encourage customers to switch from month-to-month to long-term plans.

## 2. Improve Customer Onboarding

Focus on **new customers (low tenure)** with better onboarding, engagement, and support programs.

## 3. Optimize Pricing Strategy

Introduce **flexible pricing plans or discounts** for customers with high monthly charges.

## 4. Enhance Customer Support

Provide **better technical support and customer service**, especially for high-risk customers.

## 5. Target High-Risk Segments

Use the dashboard to identify **high-risk customers** and apply retention strategies like offers and follow-ups.

## 6. Improve Service Quality

Improve **fiber optic service reliability and customer satisfaction** to reduce churn.
